Member Certification Report (MCR)

Date: _____ (mm/dd/yyyy)
(Date MCR was completed)

Date: _____ (mm/dd/yyyy)
(Date product was submitted to test firm by member)

(TMA Member Company Name & Address)

(Testing Firm Company Name & Address)

(City, ST Zip)	(City, ST Zip)

Special Instructions:

- The **Product Model #** and **Description** columns should identify the product as marketed/advertised by the TMA Member at point of sale, published materials and internet web site.
- Please indicate the **Type** of treestand and/or product by using one of the following terms: (Climber, Fixed, Ladder, 2-Person LDR, Stick Ladder, FAS/FBH, Tripod, Tower)
- The date (mm/dd/yyyy) listed in the **Date Approved** column should coincide with **the latest TMA standard revisions listed on Page 2 of this report. NOTE: Any product compliant with these standards prior to 01/01/2012 should use 01/01/2012 as Date Approved.**
- The FAS/FBH listed in the **FAS Included (Model #)** column should be the harness included with the treestand that meets current TMS 06 Rev. F (Standard Test Method for Treestand Fall Arrest System). **NOTE: Any FAS/FBH listed on this MCR that is not compliant with TMS 06 Rev. F is unacceptable and will invalidate the MCR.**

(Use additional sheets to list products as necessary)

The undersigned parties certify that:

1. The product(s) listed in this report are in compliance with the latest TMA standard revisions listed on Page 2 of this report and meet or exceed those standards.
2. In accordance with Article VII, Section 1: ***It is the responsibility of the TMA member to complete the Member Certification Report and have it approved by the appropriate testing firm. A member shall be given a period of one year from the date of product test submission to achieve certification. After the initial twelve (12) months of membership, the member must have all products (including private label brands) certified which are subject to TMA standards, prior to release into commerce. Further, said product certification shall be maintained by being certified to the latest standard revision per the***

TREESTAND MANUFACTURER’S ASSOCIATION

P.O. Box 15214 | Hattiesburg, MS 39404 | Phone: 601-584-7983 Fax: 601-584-9220 <http://www.tmastands.com>

revision’s effective date. Members who are not in compliance would be subject to Article VII, Section 3 of these bylaws.

Note: The selected testing firm reserves the right to require any necessary and appropriate action by the member to maintain their certification.

- 3. The TMA Member and testing firm agree that the products listed on Page 1of this report are in compliance with the said standards and meet or exceed those standards. Please indicate with representatives’ initials any and all applicable standards listed below.

Standard Identification & Approval Date	Member	Test Firm
